I currently have no published work. However, I have two working papers:

1. “Rationally Inattentive and Strategically (un)Sophisticated: Theory and Experiment”  
[Link](#)
2. “Out of Sight, Out of Mind: An Experimental Study of Empathy and Social Pressure”  
[Link](#)

and two projects in process:

1. “Optimal Obfuscation” (joint with Professor Srijita Ghosh)
2. “Equilibria in Simultaneous Information Acquisition Games”
